CAREER OBJECTIVE

Third-year student in Management of Enterprise and Technology (MET) at the Hanoi School of Business and Management, Vietnam National University Hanoi. I have hands-on experience in content creation, scriptwriting and short-video production for communication campaigns and social platforms. I keep up with trends and work closely with the team and designers to finish products. I am looking to join video and short-clip production for YouTube, Facebook and TikTok and to contribute to marketing campaigns in a young and professional environment.

EXPERIENCE & ACTIVITIES

Content Creation Assistant - To Quoc Binh Yen Competition 04/2026 - Present

- Wrote and edited legal-awareness video scripts for the Hai Ba Trung and Yen Hoa ward police units to spread knowledge and raise viewer awareness.
- Filmed, edited and finished short videos with CapCut, keeping visuals and messages clear and engaging.
- Used AI tools (ChatGPT, Gemini, Claude) to research, develop ideas and optimize content around trends.
- Content reached 20,000 to over 3 million views and interactions across digital platforms.

Content Creation Assistant - TikTok Project 06/2024 - 09/2024

- Built and edited scripts and rolled out content plans on TikTok in line with the communication plan.
- Took part in short-video production for digital communication; shot and edited with CapCut.
- Tracked feedback and trends to adjust content to fit viewers.

GrabFood Seasonal Campaign "Tiec Trang Ram - Am vi que" (Digital Marketing course project) 2024

- Owned the full process: ideation, photography, post-production and layout design in Canva.
- Built a set of landing-page visuals, promo banners and challenge-invitation graphics for the season.
- Kept visuals and content consistent with the campaign's Big Idea.

Team Leader - Academic & Startup Competitions 2024 - Present

- Led a cross-functional team to build business projects, communication strategy, pitch decks and project files.
- Assigned tasks, tracked progress and made sure work was completed on time.
- Results: Third Prize, HSB Innovation Ignition 2025; Champion, New Generation Student 2025.
